

**OVER YEAR POLICY
EFFECTIVE FROM 2026**

SolBridge International School of Business

SolBridge Over Year Policy Effective from 2026

****Policy for students admitted before 2019*

BBA Regular students who completed **7 Regular semesters**, third year transfer students who completed **4 Regular semesters**; second year transfer students who completed **6 Regular semesters**; and dual degree students who completed **4 Regular Semesters**, will be considered over-year students.

After MBA Regular students finished their **4 Regular semesters**, second year transfer students completed **2 semesters**; and dual degree students fulfilled their agreement periods, they will be considered over-year students.

Once and only when a student is considered as an over-year student, **scholarships will not be granted but student's tuition fee will be charged based on the credits registered**. The fee structure is listed below:

****Policy updates for students admitted from 2019 (Effective from 2019-Spring):*

- **Starting from the 9th Regular Semester, BBA students who got admitted from 2019, will be considered "Over-year".**
- **MBA (1-year program) students will be considered over year students after having completed 2 Regular semesters.**

MBA 6-month Transfer students will be considered over-year students once they finished their **1st Regular semester** and **MBA 1-year Transfer students** once they start **their 3rd Regular semester**.

- **MS Regular students** will be considered starting **their 5th Regular semester**.

MS 1+1 Students are over-year students starting **their 3rd semester in SolBridge**.

Scholarships will not be granted, but students' tuition fees will be charged based on the credits registered:
