### ***Tuition fee policy is subject to change by SolBridge Administration***

\*\*\*The tuition fee for students who are under two-year Dual Degree Agreements is fixed as a program.

In case a dual degree student chooses to take intersections, a special scholarship of 100% is given to them only for their intersections. For their Regular semesters, students will continue to follow the Merit-based scholarship Bracket as well as all other requirements for each semester. Please note that the special scholarship will no longer be eligible once the 2-Year dual degree agreement student is considered an over-year student

The Finance Office is located on the 5th floor of SolBridge to assist students with scholarships and tuition fee inquiries. For general inquiries about tuition fee, please write to: [solfinance@solbridge.ac.kr](mailto:solfinance@solbridge.ac.kr)
