Course Description

The course offers instruction and practice of Korean conversation. Students will learn how to express themselves, how to purchase products, order food, and other functional and familiar topics. Class activities will be used to prepare students for competence in Korean.

Learning and Teaching Structure

The course will be implemented as a combination of lectures, discussions, as well as individual and group assignments. Attendance and full participation in the Reading, Writing, and Communication Study Groups will be required for consideration for completion of this course. The course will be conducted using a variety of in-class handouts and multimedia tools designed to challenge students and provide practical skill development through guided discovery and practice.
