Course Description

The goal of this course is to prepare students for Chinese conversation program at SolBridge. SolBridge has the mission of educating the next generation of Asian Thought leaders. That mission includes knowledge of Chinese language.

The course offers instruction in and practice of Chinese conversation. Students will learn how to introduce themselves, how to purchase products, order food, and other functional and familiar topics. Class activities will be used to prepare students for competence in Chinese. Three graduation credits are available for this course.

Learning and Teaching Structure

The course will be implemented as a combination of lectures, discussions, as well as individual and group assignments. Attendance and full participation in the Reading, Writing, and Communication Study Groups will be required for consideration for completion of this course.

The course will be conducted using a variety of in-class handouts and multimedia tools designed to challenge students and provide practical skill development through guided discovery and practice. Also the instructor will teach the students make some tools to learn Chinese more effective ,such as oral card ,word list and so on.
