Course Description

The goal of this course is to prepare students for Korean conversation program at SolBridge. SolBridge has the mission of educating the next generation of Asian Thought leaders. That mission includes knowledge of Korean language. The course offers instruction in and practice of Korean conversation. Class activities will be used to prepare students for competence in Korean. Three graduation credits are available for this course

Learning and Teaching Structure

The course will be implemented as a combination of lectures, discussions, as well as individual and group assignments. Attendance and full participation in the Reading, Writing, and Communication Study Groups will be required for consideration for completion of this course. The course will be conducted using a variety of in-class handouts and multimedia tools designed to challenge students and provide practical skill development through guided discovery and practice.
