## SolBridge Over Year Policy

### \*\*\*Policy for students admitted before 2019

BBA regular students who completed **7 regular semesters**, third year transfer students who completed **4 regular semesters**; second year transfer students who completed **6 Regular semesters**; and dual degree students who completed **4 Regular Semesters**, will be considered over-year students.

After MBA regular students finished their **4 regular semesters**, second year transfer students completed **2 semesters**; and dual degree students fulfilled their agreement periods, they will be considered over-year students.

Once and only when a student is considered as an over-year student, **scholarships will not be granted but student's tuition fee will be charged based on the credits registered**. The fee structure is listed below:
